RE: Games and practices on Remembrance Day

As Remembrance Day approaches, Hockey Nova Scotia would like to reflect on and acknowledge the significant sacrifices made by our veterans.

Hockey Nova Scotia understands that the hockey calendars and schedules of our many leagues and associations are busy ones. We recognize that full days of games and practices are scheduled in the coming weeks (including between 11 a.m. and 12 p.m. on Friday, Nov. 11) at arenas throughout Nova Scotia.

However, on Nov. 11, we would encourage and ask all of our hockey associations to pause for a few moments at 11 a.m. to honour all those who have served our country.

Sincerely,

Arnie Farrell
President
Hockey Nova Scotia

Amy Walsh
Executive Director
Hockey Nova Scotia
